

CCBC Purpose Statement

We exist to introduce people to Jesus Christ
and to unite them with His family,
to help them grow to Christlike maturity
and commit themselves to ministry
in order to glorify God.

Prayer Requests & Thanksgivings

You can call the pastor or deacons at any time of the day or night to initiate the prayer wheel in our church family. Praying for others is the greatest responsibility and gift we can give to another.

A few thoughts
by Susan Harding

Just in case you haven't heard, Crocodile Dock, our Vacation Bible School program was a huge success. This is the first time in all the years we have had Bible School beginning in 1976 that people were already asking to take part as leaders next year. Several people also asked if we had the theme for next year. That in itself made my day.

The leaders were wonderful, the kids loved all the different things they did each day and they really were enthusiastic and excited about the Bible stories and special daily Bible points.

Thursday during the Firefly Finale was a highlight for me. I won't tell you any more about it since John is planning to use this idea at Communion soon. You'll think it is awesome too.

Based on our experience at Crocodile Dock and all the preparation for it as well as a lot of prayer and thought, Sunday School will be following a new format starting today.

The kids will be downstairs during the 11:00 service and they will have different groups and different leaders each week as well as special music, Bible Story time, puppets and a closing. There will also be play time before and after Sunday School beginning at 10:30 to 11:00 and from 12:00 until their parents come pick them up. This will change from week to week too and should be lots of fun as well as help get some of the wiggles out. The preschoolers will be having their own special time after the Bible story.

I am excited about this great opportunity to work with kids and to share the love of Jesus with them. However, this new format means that there will be no formalized/structured Sunday school lesson at 9:30 and at 7:00. There will be child care for any children who come at these times, but we are encouraging all kids to come to the 11:00 Sunday School.
